01 / THE IDEA

AFFILIATE PARTNER GUIDE

Share curiosity. Invite experience.

Meaningful ideas. Real tools.

SCIENCE
CONSCIOUSNESS
REAL LIFE

What is Cogitality?

Cogitality (derived from the Latin cogito, meaning "I think") is a philosophical and conceptual framework that bridges modern quantum science with spirituality. It views reality as a vast field of information, where everything exists simultaneously in the "Here and Now" - an interactive web of thought and perception.

Questions affiliates usually ask

Everything you need to know about the partner program.

Does it cost anything to join?

No. There is no fee to join. You can recommend eligible Cogitality resources and products without buying them first.

What is the easiest way to start?

You can use the free Cogitality Starter Guide as a first-touch resource. It introduces nine questions around consciousness, information, and reality.

What can I promote?

Books, Guided Experiences, the Academy, and other eligible products and resources made available through the partner program.

How do commissions work?

You earn a percentage of net sales. Commission rates vary by product and volume. Details are available in your affiliate dashboard.

How and when do I get paid?

Approved commissions are paid monthly, by the 5th of the month, via PayPal or bank transfer. Refunds and chargebacks are accounted for.

Do I need to be an expert?

No. Authentic curiosity and a genuine fit with your audience matter more. Share what you understand and what you have genuinely explored.

Do I need to disclose my affiliate relationship?

Yes. When you share a link, clearly mention that you may earn a commission from purchases made through it.
